Slim Solar™ Series

30w/40w/60w/100w/200w

The sun comes up every day; that's the definition of renewable energy. Dark streets can be a hazard to pedestrians and vehicle travelers alike. Protecting property, people and assets is one of the key jobs of exterior lighting. Security through lighting has been instrumental to deter crime and improve security to the public, business and residential spaces. Solar LED lighting not only offers better visibility, but also security from brownouts and blackouts. The lights are always there when you need them and can adapt to almost any application without additional trenching or added utility costs.

Slim Solar™ Series floodlight was designed to illuminate a wide range of applications for limited budget projects. Auto: Automatic on and off mode (auto brightness sensor) and could work for 10 hours. Recharges in 4 hours, and can operate up to 3 days without full charge. The first 1-2 hours works @ 100% lumen output, then 70% for the next 3-4 hours, the following 5-6 hours at 50%, and the remain time to dawn at 50%. The remote control (included) allows a full range of functions, from on/off, timer for 3, 5 & 8 hours, manual and auto functions.

LED solar lights require very little maintenance and are easier to install than their wired counterparts. Underground wiring, on-site transformers and electrical enclosures are typically costlier than installing new solar lights.

LED technology means that the lamps require fewer replacements, can be controlled and provide significant energy savings over traditional lamps. Solar means there is no electric bill...ever.

Dimensions (mm)

| Floodlight | Н | W | D | Panel | Н | W | D |
|------------|-----|-----|----|-------|-----|-----|----|
| 30w | 193 | 146 | 45 | 12w | 350 | 235 | 15 |
| 40w | 227 | 180 | 50 | 16w | 350 | 290 | 15 |
| 60w | 255 | 208 | 65 | 24w | 350 | 350 | 15 |
| 100w | 300 | 250 | 75 | 35w | 530 | 350 | 15 |
| 200w | 330 | 265 | 80 | 40w | 600 | 350 | 16 |

Specifications

| 30w | 40w | 60w | 100w | 200w |
|-------|-------|-------|-------|-------|
| 3w | 4w | 6w | 10w | 20w |
| 12w | 16w | 24w | 35w | 40w |
